H₂O 2500

Our newest
commercial grade solution
specifically built with design in mind

The 2500 features a sleek look, high quality construction and un-paralleled reliability. It's one of the best solutions for an office or other high traffic area.

With an LED illuminated extra-large dispense area, ideal for sport bottles and coffee pots. Dispensing both hot and cold water, it is equipped with an LG compressor, surgical stainless steel High Capacity Tanks, as well as a built in Leak Detector.

Production & Capacity

Cold Tank Capacity: 3 gallons
Hot Tank Capacity: 1.5 gallons
Cooling: 3 gal/hour 37-50 degrees F
Heating: 2.8 gal/hour 180 degrees F
